# ANNOUNCEMENT

---

To all who are interested and delight in the improvement of live stock I extend a most cordial welcome to attend my dispersal sale. Since 1935 I have carried on a series of annual production sales in conjunction with R. M. Peck and more recently including R. F. Pepper and Clarence Douglas through which we have served the public and fraternal breeders with cattle that have proved profitable and done quite well in their hands. We have always felt proud of this fact and allow me at this time to thank you breeders, neighbours and friends for your patronage and loyal support in the past.

I regret through circumstances over which I have no control I am forced to dispose of my entire breeding herd that has produced its share in these past annual sales. It has been my whole life's work in building up this herd of cattle. Now at this time you are being privileged to place your valuation on my life's work as a breeder and live stock improver.

I shall always regard the vast friendship made in this connection as the most valued friendship I possess, and trust it shall continue so. I shall always cheerfully be ready to give what little council and advice I can to help the beginner.

W. C. F. OESTREICHER.

Douglass & Son, the reserve Junior Champion bull Glenburn Faultless, a Junior yearling heifer that was Junior Champion in the Western Canada major shows, also the get of the sire class for the Deacon herd. He sired the get of sire over all breeds at the 1943 and 1944 Clinton Spring Show for us.

# HERD HISTORY

---

This herd since its commencement, which dates back to 1912, has been founded on cattle which had to be an asset to their owners from a utility standpoint. Much time and money was invested from time to time to attain breeding stock that possessed the qualifications we desired. A constant culling program was carried on and only those females that proved prolific, continuing to produce the better kind, were retained. Cows who failed to give a reasonable amount of milk were never kept as we never did approve of nurse cows. This catalogue contains several families of cows which you should be familiar with:

1. Our **Rosalines** are descendents of the (imp.) cow **Rosaline —155150—** bred by James Durns for three generations and purchased at Dryden Miller (imp.) sale @ \$1,900.

2. Our **Rosewoods** are descendents of (a) **Rosewood 92nd (imp.)** purchased by G. W. McLaughlin and later by Frank Wood, Blyth, in whose herd they made Shorthorn history. (b) **Dryn timer Rosewood 12th (imp.)**, bred by that noteworthy Scotch breeder R. Maclean, North Kessock, Scotland. Both families proved good with us.

3. **Kilblean Beauties.** The cow Lady Bird was purchased. She was a Gov. Shallenberger, Alma, Nebraska, U.S.A., production. She was a great show cow and produced a lot of good bulls as well as females. "Premier's Barrage" and "Lord Roister" were two of her sons that made good. She and her three daughters with their calves are in this sale.

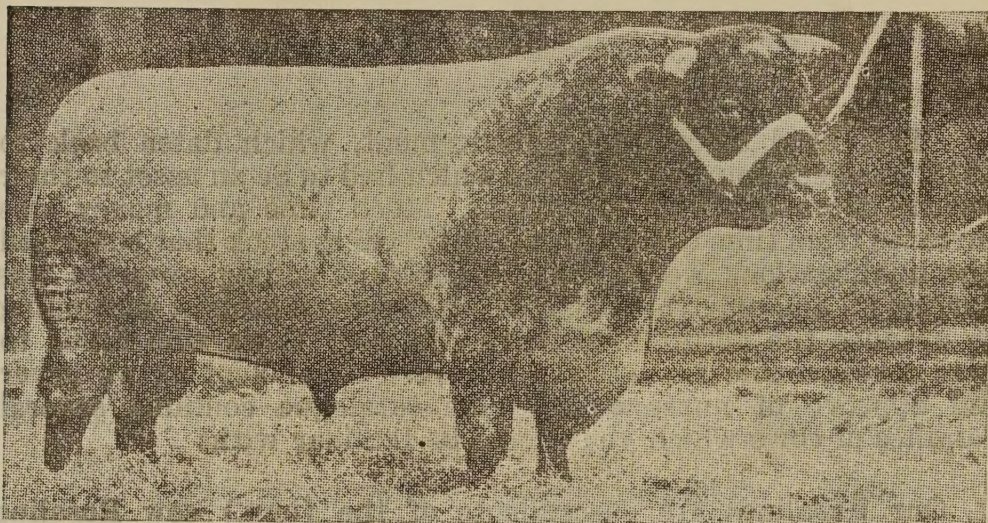

4. **Orrange Blossoms.** The cow Orange Princess 2nd was purchased by us at public auction @ \$2,275 at 10 years of age. She made us a lot of money. Two grand cows of this family are listed.

5. **Augustas**, another family that is nationally known and did extra well in the Frank Wood herd. They do milk and breed well. Several other popular families have been introduced, such as the **Butterflies, Jilts, Wimples, Rosebuds, Celias**, etc., each one for some particular merit.

Our herd bulls were always carefully chosen.

## Our Herd Bulls were Carefully Chosen

**DOUBLE MINSTREL**

A great show bull. Sire of several of our good breeding cows

**DRYNIE ROISTER (Imp.)**

Sire of many of the younger cows and the older heifers

**CLOVERDALE  
ROISTER**

A reserve junior champion, son of Drynie Roister. He was used some before he was sold several good heifers in this sale are by him.

### IDEAL CONSUL

By Calrossie Vice Consul (imp.) We lost his use at an early age, yet he sired a lot of our present calves.

### PREMIER'S BARRAGE

A bull we bred and sold to Quebec as a yearling at a good figure. He is sire of two of the best cows.

### CLOVERDALE ROYAL FLUSH

One of the good sons of Premier's Barrage proved a grand breeder in J. W. Brown's herd and four of his daughters were placed in our herd.

### KLAYMOR GALA

The present sire. He and his stock will speak for themselves.
